“ My dear baby brother, you were my best friend, my sweet little brother and my rock. I love you more than anything in the whole world. I truly don't know what I'm going to do without you! You were my sunshine. I will always remember watching OU play with you, how crazy we would get! One of the most precious times is you and I going to the OU football game on my birthday. It was the best birthday I ever had. It was so special. You will always be with me. My heart breaks, I love you. Brother oh my little brother this is my final saying to you BOOMER SOONER! 🍌
