“ *Jeneva was such a wonderful beautiful person inside and out! Always there for me and everybody at work. We loved to laugh and tell our basketball and softball stories, it will never be the same without her. I know she would want us to keep on keeping on and do a good job and make her proud. I miss that big smile on her face in the mornings when she came in, we would just look at each other and start laughing, I miss her so much!! Until we meet again, love and miss you dearly.*

“ I worked with Jeneva for 8 years she was a wonderful boss. I'm going to miss her sitting at her desk, eating lunch with her. She loved Christmas, are room was small and no matter what she made sure we put the Christmas tree up every year. I'm going to miss her so much.

“ Neva will be missed by Whitefield Baptist Church. Neva usually sat right in front of me during the service, often with Amillya, Being shy Almillya would only greet people during the meet and greet time if I went with her. A big smile came as people told her how pretty she is. I hope to see Amillya in service again.
