“ *I remember being the "new kid" in fourth grade at Kinta and how happy I was when the other "new kid" befriended me. Jerri was a big part of my life throughout the rest of my school years and although life took us in different directions and we lost contact, she was never far from my thoughts. I'll always remember her beautiful smile, but also the friendship she offered me. My heart goes out to her family and I pray that you find comfort in knowing that she made a positive impact in many lives, mine included.*

“ *I believe I can remember her first pair of cowgirl boots and her Mom bringing her to Lequire store to show her off. Jerry and Jan were a big part of my family as our children grew up. My heart goes out to this family .My prayers are with each one of you.*
