“ *I remember Ryan and I went to her house in Lequire and we had to help her find her teeth cause the dogs took em out of her mouth while she was asleep because she fell asleep eating tootsie rolls..... They were spotless when we found them.*

“ *One of my favorite memories was sitting at her house and watching her cook her dogs a steak for dinner and making her husband eat a hot dog, she definitely was the biggest dog lover I know! Love and Miss You Aunt Jerri*

*My favorite moment with her was she came to Ringling and her and I rode motorcycles all summer. They did not belong to us, but we talk two young guys into letting us ride them. It was a lot of fun.*
