“ Too many memories to list, but my favorite has to be watching him dance and sing in his chair while listening to music, that was daddy just goofing off but it still puts a smile on my face. I miss u daddy and always will. Love always, Crys

“ Johnny and I had went to dad's for the weekend and we watched something scary on TV . well Dad knew we were already scared and we were young so we were laying in bed and dad decided to sneak in by the bed and lay flat on the floor he made a groaning noise and John and I were on high alert he hollered dad well Dad groaned a little louder so John hollered at Dad again and dad groaned again so johnny stepped off the bed and when he did he stepped on dad's back and dad wiggled and groaned and John was gone. I was scared too but I laughed so hard I about wet myself. But of course John was only about 5 or 6.
