You were my best friend since we were in diapers. You were my bestest cousin and I loved you more than you'll ever know. I am proud of the man you were and as a father. You loved with dedication to those you loved that is unsurpassed. I love that fact your facebook says "Born Again!" Your relationship with God was on fire! You served your patients with the utmost respect and care and were a shining example of professionalism and dedication to your coworkers. I love your self description "I am a complex enigma, an anachronism if you will....I fit nowhere, I am accepted everywhere. Love me or hate me, very few in between. I can wear a suit, scrubs, or Carhart bibs...I'm at ease with Doctors, Lawyers, and garbage men...I am what I am..." And that says alot except how much I will miss you.
