“ My heart hurts today 💔 I lost a great friend today but he left me all the memories we had together, he was such a funny guy always made it fun to go to work, we would pull jokes on one another all the time, I remember one time I had my niece call Johnny one time act like a prostitute I seen him blush red as a beet, Kim didn't like that she got on but for that one but me and Johnny laughed about it I can't remember if I ever told him that that was my niece or not. Johnny you will be missed my friend. Loved you like a Brother I'll see you in the after life.
