“ Thank you, Joyce, for all the times you picked up the phone when I called. I miss talking to you and sharing our ups and downs. I started missing you on January 10 when we last talked for such a brief period of time. You touched the lives of many including mine. Looking at your picture as I write this post seems like I'm right there at your kitchen table talking to you. You will always be my "Aunt."

“ James, we are so sorry to hear about the passing of Joyce. My mom, Dorothy Thompson, thought the world of her. Just know that you all are in our thoughts and prayers.

“ Joyce was much more than a sister in law to me. She was more like a sister. She accepted me the very first time she saw me and we never had a cross word in 24 years. I loved her dearly and am missing her so much already. I believe her blessed soul is resting in Heaven and we will see her again.

“*Joyce Lossie, My sister-law was a kind and loving person. I will never forget the kindness she showed by making my mother's dress she was buried in all in one weekend just because we didn't think she would live any longer than that. It will never be forgotten! Terry S. Kash*

“*Aunt Joyce, will be missed by all who knew and loved her, eventhough I didn't get to go see her like I wished I would have, that don't mean that I didn't think about her or loved her. She was kind and could sew clothes like no other. Rebecca Kash, (Niece)*
