“ Co was an amazing woman, she was my Sunday school teacher when my big brother Ricky died. She was so sweet and loving to me, explaining all about heaven and death. I will never forget the love she showed me. Always a big old hug and kiss from this precious lady. There is a hole in the world that her passing has left. I know she is sitting at the feet of Jesus, now the pupil instead of the teacher. I will miss you dearly my precious friend.
