“ *This old world lost one of a kind today.*
At a early age I remember the chocolate gravy.
She had the kindest heart, I remember cleaning her house so she would pay for our skating, an I chasing Greg and Steve to help clean, we were small but no matter how the house looked we went skating 😊

My heart is heavy and with crying eyes I pray for our family and our loss..

Uncle tinker, Steve and Brian love you bunches and I'm sorry my health wasn't good enough to make the trip 😭

“ Although I'm unable to be with the best aunt in the world my heart keeps her cherished. From a small age I remember the brown gravy breakfast and the roller skating money, oh and chasing greg and Steven through the house to help clean. Aunt Judy is a loving person and always make you feel special when she was around. Our family has experienced a huge loss this week. Bryan, uncle think, Steven big hugs and kisses and I love you ❤️.

“ Love Judy and going to miss her everyday. No words to express how much I am going to miss her .. When I would text her and at the end I would write "Love You" she would send me a text right back saying "Love You More"..
