“ My "other mother" for around the past 40 years. In all that time, I have never heard a disparaging thought or word from her. Her heart was the sweetest and truest. Hopefully, I will be a good bonus mother because of her example. I will love you always, I will miss you always. Laurel Thornton

“ Jodi was my cousin and I loved her. She was more like a bonus sister when we lived together in Thomas, Oklahoma growing up at my grandparents house. I was 4 years younger but she always let me tag along with her friends. I loved her and will miss her. Randa Crain Shade.
