“ I'm so sorry we never got to meet up with each other.you will be missed so much by so many people. I would set back and think of all the things we did when we were young.But I wouldn't have changed a thing . I love and miss you so much.Fly high wit the rest of the angels, at least your back with your mom and dad.

“ I was one of her best friends when we were growing up. I sure wished we could have met up with each other as we got older.
