“ When Kim & first became friends was over 50 years ago . Kim was still a handful back then. She pushed me down in a mud hole lol & k we she wouldn't get in trouble because I couldn't tell on her lol that's how our unbreakable friendship started. Since then we have been inseparable.. I love her more than anything in this world & I will forever be broken but I can say I have the most beautiful guardian angel ever. Until we see each other again fly high my friend ❤️❤️❤️❤️
