“ Well Kristi,
You was Kristi and I knew from the first time we met, you was my soul sister! We've spent a lot of times laughing, finding things you lost, and planning parties! I never got to attend to those parties bc I was gone, but dang I sure wish I did. But we will get to have that fire works, glow stick mic singing rave party when we see each other again! Meanwhile hold my son in your arms and keep him safe! I miss you sis and I'll never let anyone forget you!!!
