“ *I only knew Laura through Les and Iris's ministry, but i grew to love her like the rest of those who follow faithfully Les' ministry. Our hearts go out to her family and friends who had the privilege of knowing her in this life. I know that we will all see her and get to meet her eventually , but the wait is tough for us all. May God truly comfort you all and know that many hearts were encouraged by Laura's words and her life , we were blessed having her as a member of the larger body of Christ. I , as I'm sure others, are continuing to look up as these days get closer and closer to all of us finally getting to go Home! May the Lord continue to keep you safe in His arms, Robert and Debbie Hudson*

“ *My heart breaks for you Les, Iris and extended family. I understand Laura fought the good fight and she now resides in the house of our Lord. Though written by man may these words comfort you:*

"As you go through this day, know that I am gently protecting you. I am as near to you as your breath, as close to you as your heartbeat. I can see the fragile state of your emotions. I know how close to the surface your tender feelings are. I am aware that the wick of your spirit's inner light is flickering in the winds of your dilemma.

But you are my child, and I am on your side today. I will hold you in my love until you are strong again. Do not be troubled or afraid. Do not strive in your own strength, but lean into my love. Be strengthened by my spirit. Find comfort in my mercy.

Your shield and defender,

God"

Laura is with the Lord, she has finished the race. She beat the Rapture we are all waiting for. May the Lord comfort her family until they can rejoin her in eternity...
