“ *Coach & Mrs. Johnson were great examples of teamwork at Porum High School! Even when she was pregnant, she was out on the court working with us, helping Coach! I always got the impression if “it” was important to Coach it was important to her! After attending her memorial service this morning. Listening to her daughter speak. Mrs. Johnson was a true testament of love for God and her family. They both impacted my life as a young woman. From their work ethic, to their teamwork. She definitely used her time between. 06/19/1948—02/21/2026 serving God, family, and others! Definitely “ A life well lived!💕 I think of them fondly and often!*

“ *Lawana was my English teacher at Clayton High School in the early 1970s. She was a strict teacher but fair. And very smart. She also played in a student-teacher basketball game with us. So fun! We lived within a few miles of each other when my husband Gerald and I moved to Stigler. Since 2 of our children were the same age, we carpoled together to kindergarten. My prayers and condolences to Foster and her family. Darlene Sanders Howze*

“ *Shaye and family....I had the privilege of working with your mama scoring Library National Board entries in Tulsa many years ago. Though I never saw her again after those five years we kept in contact through Facebook. I remember all you kids as we talked about our families always. I knew her to be a very loving and faithful person and my life is better for having known her. Our prayers are with all of you. Geri Hough*
