“ Uncle Bud was a very loving man to me and Tony. Uncle Bud took my children and treated them like his own, teaching them fishing techniques and making their own bait. He will be greatly missed by the Keller family. Tony and I are proud and felt very privileged to have him as an Uncle. We loved going fishing with him and staying with him and Aunt Jeannie and playing cards (although I think him and Tony tried cheating alot). He will be missed so much, but he was so loved by us and my children. Tony and Mahala Keller
