“ *I did not know this sweet lady, but I think my sister Alma Frances Mills might have known her and she died on March 31. Leola sure has a wonderful testimony and I have prayed for her family listed here. I wonder if my sister Frances and Leola ever got together and quilted something since they both loved quilting? I wonder if they were kinfolks too? What a sweet picture of her, praying God will be with Leola's family and send His comfort and love. Aris from Georgia*
