

Leslie Eugene Feldick

June 6, 1927 - April 5, 2023

Leslie Eugene Feldick was born June 6, 1927 to Ted and Lu Feldick at home on the farm near Buffalo Center, Iowa. Les was raised on the family. He graduated as class president in 1944. As a young man, Les enjoyed farming, sports, history, and listening to good gospel preaching on the radio while he milked the cows.

Les enrolled at the university in Missoula, Montana. Out of love and commitment to his family and the land, he returned to the family farm before graduating.

Les joined the Army in 1950 and served at the Army/Navy Hospital in Hot Springs, Arkansas, attaining the rank of Sergeant.

Les met Iris Gray on Valentine's Day in 1953. They were married June 21, 1953

Les and his new bride moved from Hot Springs, AR. back to the family farm near Buffalo Center, Iowa. They raised three children in the love and admonition of Jesus Christ.

Early in his farming career, Les began teaching from the Bible to a small home Bible study group under the leading and encouragement of a close friend and missionary.

Other weekly home Bible studies were soon requested of Les, who was blessed greatly by God with the gift of Bible teaching. God's Word did not return void. Many hearts, minds, and souls were transformed to the glory of God through those small home Bible study groups.

Les moved his family to an Oklahoma cattle ranch near Kinta, OK. in 1975, not far from where Iris was born and raised. Iris continued as a registered nurse and Les developed a cow/calf operation.

Not long after moving to Ok., Les was asked to lead a morning Bible study with the Stigler police force. Upon invitation, other weekly Bible studies began in Tahlequah, Wilburton, Muskogee and McAlester, OK. A request to televise a Bible study led by Les in Tulsa, OK., was made in 1990. This locally televised and temporary program began what would become a ministry of world-wide impact. The sound biblical teachings of a Holy Spirit led, self-taught farmer/rancher continues to inspire and instruct millions worldwide. Those close to Les will remember him for his love of family, the land, the livestock in his care, his joy of reading, and his thankfulness to God for his life's vacation, and house-on-a hill with beautiful views in every direction.

Les is survived by his sweetheart of 70 years, Iris. Greg (Janette), their first born and Todd (Kim), their third child, remember their dad with love, admiration, respect, and gratitude; his sister, Jan O'Connor.; 3 nephews; 3 nieces; 9 grandchildren; 8 great grandchildren also remain.

Les is preceded in death by Laura, their daughter, preceded her father in death due to a horse-riding accident in 2017. Les's close brother, Harley, also preceded him in death.

Graveside Service will be Friday, April 7, 2023 at 3:00 P.M. at Lona Valley Cemetery with Mr. Matt McGee officiating. Pallbearers include, Greg Feldick, Todd Feldick, Daniel Feldick, Benjamin Feldick, Jesse Feldick, and Zack Thomas.

Burial will follow under the the direction of King & Shearwood Funeral Home of Stigler.

“ I found Les on TV about 2 years ago. I thought he was the guy who taught geometry in the 1980s on a blackboard. I used to watch in high school because I needed extra help but could not afford a tutor. I quickly realized this man was teaching the Bible! I immediately gravitate d toward his teaching style and the scriptures opened up to me like never before! He could read a passage and it instantly made sense! It came alive! His genesis study has changed everything for me. I read it so many times and I never understood-accepted by faith but didnt understand. He answered every question I had in a simple, direct manner that was always backed up by scripture. As Les would say " it's what the book says". I thank God for Les and Iris and the entire Feldick family that dedicated their lives to the teaching of God's word for people they didnt even know!

“ *It will be 3 years now, April 5, 2026 Easter Sunday which falls early this year that Les "passed on to Glory"!! WHAT a life he and his family have had!! Don't know of any other, especially today, and tell his story to ANYONE who will listen!!, however as Les "would always say, it isn't about me, my Family, Friends, Co-workers", etc. It is ALWAYS about OUR Precious Savior, The Lord Jesus Christ. Thank You.*

“ I have been so wrapped up in personal issues for the past few years that I had no idea Les and Iris had passed. My condolences. I started watching Les over a decade ago, bought some books and wrote to him. I was overwhelmed when he actually wrote me a short note, guiding me in how to start my own Bible study group. I wish i had taken the time to call and have him answer the phone. Please always keep Through the Bible available to everyone because there are so many souls yet to be saved.

“ *I just found Les Feldick. It was a couple days ago, Holy Thursday I believe. I was tuned into the message regarding loyalty, commitment and perfection. The delegation to God, the steadfast one, of responsibilities in the Book of Hosea related so closely to the Study of 1& 2 Kings Trustworthy by Lysa Terkeurst that I was doing for the second time in 1/2 a year. He talked about perfection, brought up Revelation and the fate of Jezebel, Gomer in the 8th Century.*

It was no coincidence. I am changed,

I was taking a break on my day off but staying away from tv and I just turned it on there he was. First time I ever saw him. Turned it off fulfilled. Easter I go looking through my notes and sure enough I thought to write down his address. On finding him on the www, I am saddened they have both passed. I'll see you in that perfect heaven. That is after I continue to help others do the same. To his family, my condolences, for what a great loss I know with just having experienced 30 minutes over a tv screen. Thank you Les and Iris.

“ August 2022 I turned on local Los Angeles chanel after midnite to watch late news, and it was no longer there, but had changed to a TCT network;
was kind of annoyed, and when I saw this guy in front of a chalkboard, I wanted to know what this was about...

Now I know that it was Father God bringing Les to me, because to this day I watch, listen to and learn with Les DAILY.

Was brought up catholic in Germany, and so never really read the bible. I started after I came to US at age 25, & chose calling myself ondenominational and spiritual rather than religious, as it never felt right that denominations and religions were fighting each other, seemed to miss the point, and found out Les felt the same way. Still all those years I was reading the bible, UNTIL ("time word"-) I heard and learned with Les just 2 years ago, I didn't know or understand so many truths that are and have been made clear to me by Les ! Halleluyah !

Love his simplicity, humility, accuracy, and humor too. Makes the Word and Les truly enjoyable, besides life-essential.

I like a joke he made, since he goes back and forth between scriptures to compare, and illuminate, how a listener said to him, "through the bible with Les Feldick" should be named "Back and Forth.. through the bible with Les Feldick. Repetition truly is learning; before Les gets to end of sentence, I can finish it, like: Les says: BUT, and I say: ..on the flipside, or: FAITH, (what God wants from us), and I say: .. plus Nothing. !

What a relief to my spirit, that all I need is: FAITH .. PLUS NOTHING.

Never knew it's important to know who God, Jesus, or anyone in scriptures are speaking to, and now that I know, from Les, and see in the Word, it makes true perfect sense.

Just found out 8 months after God blessed me with finding Les that he "went home to God", significantly Good Friday 2023, and am sure he also was with God by "Rise Day" (that's what I call Easter),

and sweet wife Iris (he calls Honey) followed him 2 months later. God bless their family, pets, and learners in the Name of the Lord Jesus!

I was a Christian without a clear view of what that meant. After attending many denominations with my husband, I grew confused. They preached love but their actions didn't match their words. My husband had great faith and was taken home Aug 03, 2023. I was the recipient of many conflicting views of my status in widowhood. Thank God I was directed to "Through the Bible with Les Feldick". My husband was as loving to me as Les was to Iris. Les's Bible teaching was understandable to a grieving widow because he taught hope, love, and truth from the Bible. There is no prejudice or discrimination in his teachings. Every claim is backed up by the Bible. Thank God for sending a teacher to me when I really needed one.

“ I had never heard or seen a minister of Gods Word that was as prolific as Les was, especially with little formal training. I was amazed at his ability to go from scripture to scripture as he explained how they supported one another. And his explanations were stated simply enough for a child to understand. We were fortunate to attend one of his meetings in Milton Florida several years ago. As always it was a special treat to be able to do that. I have his works on my computer and use them often as I teach. His homegoing was our loss but heavens gain. Les could not have done what he did without the loving support of his precious wife, Lois. My eternal thanks for Les and his ministry through the years, even during the seasons of sorrow in his life. Thanks for a life well lived serving God faithfully. 🙏

I am so thankful for being able to have gone through the Bible with Les Feldick after I became a born again Christian. I called him a couple of times to seek his help on understanding my salvation. The first time he told me to read Roman's through Philemon. Then I started listening to his lessons on through the Bible with Les Feldick.org. I know without his teaching I never would have had a proper understanding of the Bible. The second time I called him was because I had finally faced some of the sins in my life and doing questioned my faith. He told me to go to God again and believe 1st Corinthians chapter 15, 1thru 4. I did, This world is a tough world to live in especially as the years go on. I still can study the Bible with him now even easier than before, because of technology. I know in my heart that he has many rewards coming to him!

dear Matt, God bless you...

Wonderful Les Feldick does and did not have a church, or preached in church, he was a farmer and cattle rancher, and said he had some of his best ideas while working on his tractor, and he simply and humbly and amazingly clearly just was teaching the bible, better than any pastor, bishop or theologian I ever heard.

Sorry for the bummer experiences you had with your TV, but maybe that was actually God calling you, because I also started listening to Les "Thru the Bible" by accident, when suddenly when I wanted to watch my new dailys there was a different network there, which first annoyed me.... and then I liked Les, and to this day daily watch Les... and realized it was God who brought to me something super important I needed and would enjoy too, once I got over my annoyance over "unwanted tv program change".

*God bless you with all you truly need, in the name of the Lord Jesus !

*I've been watching and studying Bible Studies with Les for quite sometime.
The past year I wasn't able to get them; but it popped up on my news feed and I watched his Bible study noting a date saying 1997.
Not until today, did I find out that this amazing, humble faithful teacher had passed.
His years of leading people to Jesus brought fruit beyond comparison. My heart hurt, at the same time, rejoiced for him to hear "well done my good and faithful servant."
Oh, if this world had multitudes more like Les who didn't teach the Word according to the world, but only according to every Word that was inspired by God, in Christ, true for eternity.
His preaching/ teaching proved God's Word will not return void.
Blessings to his entire family.*

I have loved to listen to Les Feldick since I first knew that he was actually on a local TV station where I lived. His love of the Lord and his teaching style and great knowledge of the Word brought me to the true knowledge of salvation. “ I found Les in 2016. I have never had the Bible make sense before. He explains it so well and completely removes the difficulty of understanding the KJV.
He also got me to start studying it and searching it daily.

“ I had not heard of Les Feldick until 2023. One morning as I was sitting by my daughter's bedside I was scrolling through the channels and I saw the program coming on and immediately it caught my attention and I was delighted when I realized that he was teaching The Bible verse by verse.

After months of the program being off the air in this area (due to wifi outages) and me being alone in the hospital far from home with my disabled daughter on life support, I was weary and becoming discouraged and weak and and fearful. Just this morning I turned on the tv and found Les back on the air but, it was at the mid-point of the show and he was teaching on faith and how when we have done all to stand in faith.

Les reminded me that we are to do what Yah tells us to do without adding to it and remember that He Is faithful to keep His Promises. Yah Is in control.

Increasingly, on TCT television which later transform YouTube Bible studies (24/7)~progressing through the whole Bible and giving interpretations, I was comforted and learned so very much.

My dad was a pastor and I lived in five states Texas Montana California Colorado and New York so moved back to the home state of Michigan living about three and a half miles from the parents where I went quite often. My mother only survived 2 years as she was heartbroken without father. Father was a country girl her dad raised cattle too and last reminds me a lot of my grandpa James Alfred Harris who passed away at age 86. My dad and mother both were 88 years when they passed and a brother went before me so I have one brother and two sisters and myself left and I have questions.

“ I was very sad to hear about the death of Les and then a few months later, Iris. My condolences to the family. They were so down to earth and had such integrity. My Mom and Dad introduced me to Les Feldick Ministries around 10 years ago. They said, Mike, this guy is right in line with what we believe. You need to watch him sometime. At that point, I can say that I knew about God, but I didn't "Know" God! I made up my mind that I would listen to the recorded sessions on line. I started with the first one and kept on going. At first, I was a bit confused about what he was talking about. I asked myself, what is this "Body of Christ" Les is talking about? I kept listening and one day it hit me! It was like a revelation! I understood what he was saying! I've now listened to all of the recordings and am going on my 3rd time around. I thank the Lord every day for Mom and Dad introducing me to Les and my salvation!

“ I would like to Thank Our Lord and Savior Jesus Christ for Loving me and teaching me through the Holy Spirit. I Praise You Lord Jesus for Les Feldick.

Your True Ambassador and Teacher of The Word Of God. Even though He didn't proclaim to be a pastor He was mine. And I am Truly Grateful to God for Him and Iris and my brothers and sisters In Christ. I was in my 20s in a messed up life. I started to attend a church and was seeking a better life. I started studying the Bible and would go to church bible studies, and come to find out no one really could answer ?s about the Bible and looked to me. I would continue to go thinking maybe the pastor would know. But the more ?s i had very few could give definite answers, And i fell short again. I began to ask God for His wisdom. I had come across in my reading of the bible. That if Your child ask for bread would you give a stone, math 7:8-12 Out of ignorance but believing what God said ask and it shall be given to you. So I asked for His wisdom Help me understand. I began to see Les Feldick on tv at my work place. Thats another story. But i was looking for fireworks. But He just kept crossing my path. I finally started watching it. And Low and behold that was the beginning of a Great understanding of The Holy Bible. Thank You Lord Jesus for Les and Iris and all my Brothers and Sisters who believe 1corinthians ch 15:1-4. Until we meet in Heaven Love ya Brother and You were Like a Dad on earth. “ I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day.”

Les was truly a man of God who loved God's people and was a gifted bible teacher who allowed the Holy Spirit to use him, he truly ran the race and finished his course by God's grace.

I was called into ministry by the Lord back in October of 2003 and I was struggling with the way my denomination was interpreting the Bible, because as Les has said before the Word of God is like a puzzle with many parts that fit together perfectly. The Holy Spirit was showing me how Law and Grace does not mix it's two different dispensations, so I came across Les while looking for other Christian stations and thank God I did. Les show me I was not crazy and made it so simple as to why we must " rightly divide the word of truth" I learned so much from Les and I truly miss him.

I would like to say to his wife Iris I love you and thank you for being his help mate and sharing him with the Body of Christ and sinners alike because many souls were saved by his ministry. To his children, grandchildren and great grandchildren thank you for allowing him to be an example of a spiritual father to so many of us men, "For though you have ten thousand instructors in Christ, yet you have not many fathers"

“ I think when Les met Jesus He said well done my son, well done. To this day I start my day with him and his Bible class. I feel he was the most knowledgeable man on earth when it comes to the Bible. I have never in my 60 years on earth understood more than when he was speaking. “ If it weren't for the guiding of the Spirit of Jesus christ, that dwells with in me now, leading me to turn my radio on one morning and listened to les feldick teaching scripture rightly divided, it transformed my spiritual life and helped me on my spiritual journey to be not only saved by Grace thru faith(plus nothing) but to love the truth that I might be saved. I have a Bible teaching ministry on social media now in its 5th year, teaching God's word according the rhe commandment of the everlasting God for the obedience of faith, by studying the Revelation of the Mystery of Jesus Christ, Jesus Christ commands us to do in 2nd Timothy chapter 2 verse 15. “ I'm a Vietnam combat veteran with PTSD. I've been a child of God since I was 8 years old. I went to church because I was raised in a Christian home. I grew up watching every Billy Graham show on TV. I wanted to become a preacher at this age. I never became one due to going into the service for four years spending one year in Vietnam. Spending another year on a military funeral team. I had to get off that team because of the affect it was having on my PTSD. I spent the next 31 years as a systems design, systems analyst, and coordinator of an inventory management system I helped design. I know God has been with me through all of my trials and tribulations in Vietnam. He got me through that year, and every other trial in my life. I ran across Les Feldick on the Word channel and Inspiration channel the first part of 2022, a year after I had triple bypass heart surgery from agent Orange exposure in Vietnam. I haven't missed an episode done that first one in 2022. I have never seen anyone that can teach the bible better than Les. Less and Iris was a special couple. I will continue to watch every episode of Les till God calls me home. I have my son watching his show. I wish I had ran across his show back in 1990. We didn't have cable back then, just local channels. My father who passed way in 1997 would have loved to watch his show. He was a church deacon, but had to pass it on to someone else because his health didn't let him out the time in that he knew the position deserved. Like Les, he didn't agree with his church buying houses and renting them. The church purchased a bus, but wouldn't go around and pick up those who didn't have transportation to get to church. They used it to go on trips to eat, or sporting events. Dad knew this want right. My dad reminds me of Les in many many ways. I just wish he could have seen Les because he liked those who taught the bible just like me. I saw where Iris passed not long after Les, and I offer his family my heart felt condolences. His show will continue, and is a great legacy to leave behind. His show will continue, but I will never forget his desire that we study the bible, and my favorite of his phrases, it's what the bible says, and also what it doesn't say. To his family, remember Les and Iris's memories, for they left you a bible trove of them. God bless each of you.

Your sympathetic remarks are about the same as mine. We have been so blessed to have learned so much more and gathered more understanding of GOD's WORD, taught by Les, who was such a blessed current BIBLE teacher and I pray someday to be able to purchase all of the printed books of his studies and share them with others. I am just about to watch Mr. Les Feldick on Roku as I often do. I also will check on information about Mr. Feldick & his wife Mrs. Iris. By checking I came across his obituary. I am saddened to hear of his passing. I started watching Mr. Feldick some 15 years or so ago. I came across the program one day & listened to what he had to say. Then I found myself searching for his program, eager to hear more. It eventually became my habit. I like the way he explains the Bible. I understand it much better. I have told my family about Les Feldick Bible study as well. I love that Iris was always there with him. His lovely life mate. Thank you all so very much. My condolences to The Feldick Family. Years ago I was very fortunate to be introduced to Les Feldick's ministry by my son. You opened up the Bible for me, Les, during my husband's first battle with leukemia and have recorded many of your tv classes and wish I had them all. Your classes opened my eyes and ears like I had not known before. I will miss knowing that you are walking in this world, but I rejoice knowing you are in the next with our Father, Jesus the Christ, and the Holy Spirit, enjoying your homecoming and were there to welcome Iris home. God be with your remaining family here with us still. Hallelujah!

“ *It's been the Holy Spirit and Les Feldick bible study for over 7 years. Thank you, my life has been completely changed. The confidence the word has given me and knowledge it took make those changes, I could not have done without Les. I'm sad he's gone from this earth. But,(one of his favorite words)I know for sure I'm going to meet him in heaven, cause I asked God..*

“ *I want to sincerely thank my dear brother in Christ, Les Feldick for the tremendous impact he has had on my life. Les is a wonderful, anointed, gifted teacher of the Word of God. I have richly enjoyed his teaching ministry so much and he has been a tremendous role model before me and inspiration in my life. I look forward to meeting you, my dear brother in Christ, on the “other side” and rejoicing in the goodness of God. Your brother in Christ, Michael Wright*

“ Thank God for Les and Iris, They taught me more about the Bible and how to be a good Christian than any other people I have ever known. Although I have only watched the show religiously the past seven years, I felt I knew them. There is no doubt that they heard those words we all hope to hear when it's our time to go to our Father “ Well done my faithful Servant”. Thank you so much for all your wisdom, knowledge, and understanding of Gods word. I will do my best to pass them on. My condolences to the Feldick family,

“ Over 16 years ago, I would see Les Feldick on the tv and change the channel quickly, rolling my eyes at yet another tv evangelist. I would come across Les frequently, must have been the same time of day on tv and one day just happen to stop and watch for a few minutes. Those few minutes turned into faithful years of wathcing (recording all his episodes) subscribing to his emails and telling my Christian friends to watch him.

I learned more about the Bible from Les than any other person I know. So knowledgable, so forthright, so passionate - I have journals filled with his teachings. I wish I could have flown to attend one of his Bible teachings.

My joy is that God is so very happy to have his faithful servant in Heaven with him and that Les can rejoice with all those we have learned about over the decades of Les's teachings.

“ *Master teacher of God's Word is the man Les Feldick. He never preached scripture at people. He delivered the gospel to us in a very compassionate, confident and insightful way. Les is gifted with the talent of communication.*

I frequently marvel how much I have retained from the years of watching 'Through the Bible'. My favorite place to go to get my thoughts right. No other evangelist has enlightened me more. I've listened to Billy Graham and other people spreading the Word and I received valuable lessons but Les was able to provide a vivid, real life applications of God's will. Les added colorful, down to earth revelations of the stories of Jesus that filled me with awe and wonder.

When I listen to Les, I think of him as my next door neighbor who really cares about me. Les touched my heart as he brought me closer to God than anyone I have ever known. He is an inspired Messenger who successfully helped God's people understand and believe the Message. I love Les for that and will continue to watch his truly blessed broadcast. The Word goes on.

Amen brother. It's December 6, 2023 and I just learned about Les's home going. I didn't get to watch for many years, but knew the 1st time I was channel surfing a few months ago and stopped long enough to listen and knew that Les was truly a messenger/teacher for GOD's precious WORD for all who would listen. We have been so very blessed and I pray the programs continue until JESUS calls us to meet HIM in the air! As soon as I can, I want to contribute toward that goal for keeping Les's teachings on the air. Thank you for mentioning the studies are on YouTube...that I didn't know.

Looking for the "Blessed Hope"!

Iris, my precious sister, my heart aches for you as I know how lonely losing a mate can be. May you be filled with JESUS CHRIST's comfort. We don't cry for them, but cry for ourselves because we miss them and GOD knows our grief. You and your family are in my prayers and know the ministry will help believers learn more and gain more understanding as the programs continue and the Heavenly rewards are continuing to build for whatever GOD has planned for Les and all who have participated in making the BIBLE teaching and studies possible! We are blessed! Thank you from the depth of my heart!

Amen. I just finished watching Les teach on t.v. I decided to look up some info on his message, but found out my brother Les, in Christ Jesus had passed on. I was shocked to find out Les was gone from his earthly body but I suddenly realized...hey...Les is still here winning souls for the Kingdom of God. His ministry lives on. What a true inspiration for generations to come. My mother Edna Berrier, brought me to his ministry as an elderly lady now as an elderly lady I plan to bring his ministry to my great grandchildren.

I started again to lessen to his bible studies . Thank God that they are archived so we can glean from his knowledge of the scriptures. But he has a body of work that we can still study and enjoy. I am glad that we have him on the same format that we were first introduced to him on, the television. May he still share his knowledge of and insight into the scriptures bless further generations. Keep up the good work of preaching and teaching the word of God.

“ Just got done watching Les teach on TV. 16 years ago, it was doubtful I would live very long. I started searching for health shows and ended up on CTN. After finding a helpful show, Les came on right after it. I thought God was helping me, so I thought I owed it to God to listen to this farmer who came from my state of Iowa. So glad I did. Soon I was going through so many strange things. I didn't know at first, that God was using Les to help me be born again. I always dreamed of meeting him, and I'm so sad that I can't thank him in person. I will thank Iris for her part.

“ Deepest sympathies to all the family. I am so grateful to our Daddy God, our Ascended Lord Jesus and our Precious Mighty Holy Spirit working through Les and Iris to teach Apostle Paul teachings. I mailed Les a book about Apostle Paul and Les wrote me a letter expressing how he enjoyed the reading and at that time he passed the book to his son up in Duluth. I loved when Les shared Beloved we are very close to the rapture. I loved learning and I still learn from Les on utube all day seminars!

“ My husband and I did not start watching the Bible study program until 2009. We instantly knew your father would be our biblical mentor. We have never stopped watching, and even as we travel, we look for the program. Les, and his ability to speak through the Holy Spirit, has been the single most influential bible teacher we have ever met. Today we got news of your mothers passing also. Our deepest condolences to you all. What an incredible blessing they have been! May the God of all comfort keep you close during these days.

“ I’m so sorry for your loss. Les has led more people to the Lord through his teachings. I found Les Feldick in 2006 when I was recovering from surgery. I was a new baby Christian. Les was in the book of Acts. I was hooked because he explained scripture in a way that I could easily understand. I have probably gone “through the Bible” 10 times. Each time I learn something new. Plus, as Les says repetition is the mother of all learning. I had the opportunity to attend one of his seminars. What a blessing. Plus, I called his home Iris answered and I spoke with Les. There is no greater gifted teacher of Gods Holy Word. Praise the Lord for his faithfulness. He is now in the arms of Jesus and reunited with his daughter Laura.

“ I just found out tonight that Mr. Les has died and gone home. Such a great Bible teacher he was. Mrs. Iris, I know you'll miss him dearly but remember, one day with the Lord is as a thousand years and a thousand years as one day. He'll only be in heaven an hour until we TOO will rejoin him there! Thank you, thank you so very much for being so faithful, so kind, and so Bible centered and not religion oriented. That is how our Jesus taught to Nicodemus, the woman at the well and countless others. He maybe gone, but we still have him on YouTube!!! I feel like a member of my own family has died. “ My condolences to Iris and the family of the passing of this great man of God. I learned to truly understand the Bible from Les's teaching and reading his books. He and Iris came to our house in Pennsylvania three different times to speak at my and my husband Ronnie's church. Those visits staying with us are among my most favorite memories. “Hi, my name is Floyd from Marysville, WA. I just heard the news of Les' passing to Glory. I've never met, or even talked to Les, but here I sit with tears running down my cheek like I lost a family member after hearing this news. I came to the Lord after my wife passed in 2015. My walk with the Lord started a little shaky in what to believe. I accepted the Lord driving to work one morning after hearing the salvation message from Franklin Graham on the radio. I married my new wife in 2018 and began attending a bible believing church. I struggled with reading the bible, until I found Les one late night on a PBS channel. That was about 4 years ago. I started watching his videos almost daily in 2019. I am currently on video 710 and according to the blackboard that is 14 years of videos that I have watched in about 4 years. 99 percent of everything I've learned about the Lord and his Word, I learned from Les and his videos. When I started to watch him, he was obviously retired, but that didn't keep me from watching, learning, and unbeknownst to me until I heard the news of his passing, how much I cared for this man that I had never met. I thought this a little strange at first, but as I sit and write this message I realize its because my journey with Les has brought me closer to our Lord than I probably would of ever been at this point. He has set me on a lifelong path with the Lord which will last and tell I am called to Glory. Blessing to all his family. Please accept my condolences.
