“ Linda, is my niece, nine months younger than me.

I knew at an early age she would probably be something medical as we caught numerous little frogs and dissected them on a picnic table in Indiana.

She always found great pleasure in reminding me that she was the same age as me from August 8th to November 26th.

I have so many memories and I will forever miss her.

“ *Such a tragic loss, from the gaming family to the real and all who knew her. She was well loved in many circles throughout the years of our friendship together. I knew her better as bella or gabriella and spent many hours laughing and enjoying the company. I loved her sence of humor, her upbeat greetings and her wonderful voice. Always helpful, always positive until the end. I will miss you*

“ *Linda was a true friend. One of the best I've ever had. She looked out for me, helped me anytime she could & was ALWAYS there, no matter what. My heart is broken, not only for myself, but for her sweet grandbabies, Teegan & Rory. Linda talked about them with pure love in her voice. I can't believe I'll never answer the phone again & hear "Hey you!" We'll never get to go have lunch together at Shelly's again. No more crocheting lessons. I just can't believe this. I love you, Linda. I promise I'll never forget you!*
