“ I don't even know where to start, I met you in 90, fell in love with your son Kenneth Lee, then came Tori. I have lots of memories with you and the family. I think Christmas was my favorite holiday, we would spend with you every Christmas Eve. You were so good to me treated me like of of you daughters. Us girls would. be in stigler a Lot. Good memories. I still have every piece of jewelry you ever bought, the diamond ring is probably my favorite. We'd all go to the races and we'd also repo as a family. I remember the time someone shot at your gas tank out north you loved doing that job best female recovery agent. You'd go toe to toe with anybody, your small size didn't matter one bit, I could on and you had the best heart when it came to it. You loved all 4 of your kids something fierce, continues to watch over them and the family, everything they do will be for you. I love you Linda, the good people always go to soon. Gone but Never forgotten!!!! XOXO JENNIFER
