“ My name is Dale Brassfield. In 1966 my Dad went to work for the Craft family. I was 9 years old when we moved to the ranch. There were four boys in our family and Mrs. Craft was always taking us to church. She got me involved in 4-H. She helped me in the speech program where I won a blue ribbon for speech. Really she won the ribbon because of all the hard work she had in training me. To this day, if I am speaking in front of an audience, I think of Lois and what she taught me. We only lived there for one year but the impact she had on my life will always be cherished by me. In 1997, after being gone from there, I called her and asked if I could come visit. She seemed so excited and said anytime. We had a great visit. Even though; in the past almost sixty years, she always welcomed my brothers and I with open arms and made us feel welcome. She is a special lady and I will miss her until we meet again on the other side! May God bless the Craft family and y'all are in my prayers 🙏
