“ I have wonderful memories of Sis Lora leading the congregational songs at church and your dad playing his guitar & singing specials. They were faithful to church and were always friendly and she always had a beautiful smile for everyone. My mother (Virginia Monks) considered her a special friend. She will be missed. Sending thoughts & prayers,

“ I have known sis. Quinton since we were about 10 or 12. We went to junior high together , and to church together.my dad preached at the ogden school house probably mid 1940's for the first time and the crains were attending church there and her and her siblings were going to school there at the time i think not sure if the school was still there or if they had already transfered to Quinton. We got married and went our separate ways. Then in 1976 me an my husband moved back to Quinton and we both attended the united pentecostal church in Quinton oklahoma. Have been friends many years.
