“ *I will always remember Mike as a dashing young man from Beaver Mountain. He had just fallen "head over heels" in love with my best friend and neighbor, Carolene Weathers. Shortly before my family moved to Arkoma, Mike opted to join the military forces, so unfortunately for me, I didn't get a chance to know him really well. I am honored to have his memories as part of my past, and am so happy that he chose to marry Caroline and share his life with her. As I remember, Mike was daring and loved nature as God created it to enjoy. He had a wonderful loving family that cared dearly for him and I am sure he will be missed so much. God gave him a long and full life, but somehow, he left too soon. His memories will always be the treasures that he leaves behind.. Willie Mae Gormley Hill*
