“ We love you dad. I'm sorry your other family would not allow me to see you while you were dying in the hospital. I drove 9 hours to see you. And it is sad they could not even put us in as your children. Your twins Michael Steven & Steffanie Gene. Along with your grandchildren Kelsey, Cody, Kayli, Khloe, Gavin, Jacolby, Elisia, Ryker (proceeded in death by Taylor) and your great grandchildren Tycen, Luka & Kaelin. We all loved you very much. We will continue to pray for them.

Love your ELDEST DAUGHTER STEFFANIE

“ I met Mike and his family through my work about eighteen years ago. When I saw them on my schedule it made my day! Mike was always so full of such joy and always had such a positive attitude and brought that with him to the office. His presence made the office a better place and I am so grateful for having know him. To all his family, I send you my thoughts and prayers.
