“ I haven't seen Mike since our daughters graduated high school, but I can tell you he was a dedicated and loving father to Micheala. Our girls played ball and attended school together all their lives and Mike was always at games cheering them on....not just games but anything Michaela was involved in Mike was there to encourage and support her. I know how much she will miss him and I just pray that all those memories will help her through the grieving process...Michaela, we love you and are praying for you.

“ Mike and Barbara were good neighbors when we lived next door to them. I can see him setting in the front yard handing out candy to the children at Halloween. I can also see him riding his mower keeping his yard beautifully manicured. We never really got to know him but he always seemed like a nice guy. RIP MIKE. Prayers for the family of peace and comfort during your time of sorrow.
