“ So sad to hear of the passing of Nedra. So many fun memories of working with her in my earlier years. She always had some of the best advice in life. She always had a smile and a hug when I seen her. She will be greatly missed by all who knew her. Lots of thoughts and Prayers for the family.

“ I can't recall a time when Nedra wasn't doing something for someone else. Whether it be for family, friends or in business. Selflessly diligent for others well being. Always caring, always with a smile. A true gift for all of us lucky enough to have know her. Nedra truly made people's day and the world a better place.

“ Nedra always had a smile on her face. We ran onto her at Sharpes before Christmas and as usual she was smiling and conversing. I am praying for all the family, such a great loss. She was a good person and is going to be greatly missed by all those she loved and that loved her. 🙏

“ Nedra was my best friend growing up. I was always welcome in their home. Clayton and Marie treated me as one of their own. I loved the hay rides , going to the low water crossings and washing the old white truck to go to The Porum Dance on Saturday night. Riding on top of the cotton to Checotah and green beans to Alma Arkansas. Life was so simple in those days. We did have the chance to visit and catch up on ours lives in 2017 at Uncle Alberts birthday party. Even though we didn't keep in touch lately , she was always dear to my heart. Love you Old friend.

“ When I was around 9 or 10 we lived in Las Vegas and had come back to Oklahoma for a visit. When we left to go home, Nedra came with us to visit. We were somewhere in New Mexico and had the radio on. Apparently when we had stopped for a bathroom break dad had called in to have her favorite song played and dedicated it to her. So we're cruising down the road and the DJ said this song is dedicated to NEEDRA. Her response wasn't that it was cool dad had done that, or "that's my favorite song" but "NEEDRA?!, he called me NEEDRA!" Dad got the biggest kick out of that and we teased her about it. Even years later, every once in a while one of us would call her NEEDRA and we'd all get a laugh about it. We had the best time on that trip and loved having her with us.

She was always fun to be with. She will be missed. My heart goes out to the family for this terrible loss.

“ Nedra was one of my very best friends we played basketball together spent many nights at each other's homes, she was a beautiful soul! In summer and fall her house seemed to be where we had the most parties which usually ended up with Clayton taking us on a hayride! I will cherish the memories of our childhood ❤️ Rest In Peace sweet lady!❤️

“ Nedra was one of my earliest friends in Warner. When we moved her I first met her at the First Baptist church and we remained friends throughout the years. Used to love the hay rides at her house and parties. Rick and Nedra always would say hi when our paths crossed. Will miss her.

“ Nedra was so kind. She was my friend but treated me like family. I'm gonna miss her. She would come in Walmart and I'd have the best visit. She'd say I've got to get away from these plants. She loved her family so much. Rick was her best friend. Her face would light up when she talked about her kids and grandkids. I know Rick probably thought where she at. I'd keep her talking for a while. Until we meet again my friend I love you
