“ I remember Sue as one of the sweetest lady I ever met. She talked with a low tone voice. She was always very nice and wanted to know how you were doing. She will be missed. Rest in peace. We love you and your family.

“ I remember Jack and Sue before my elementary school years. They came to our home for cook outs. Sue was a very dear family friend. She will be missed by all who knew her. Prayers for comfort, peace and love to the family.
