“ *My condolences and prayers to the family. Paul was like an Uncle to me. I have fond memories of hunting with him and my Dad and staying at the cabin in the mountains to go deer hunting. I remember all of the guys taking their Jeeps out 4-Wheeling on weekends. He always made me laugh and was a great mentor for me at such a young age.*

“ Although your cousin Jerry and I have been married for 40 years, it's only in the last few years that I've really gotten to know you well. You once told me that I was truly family. Only now do you fully understand how much that meant to me. I know the angels are singing and Heaven is a happier place because you're there. Love to you, Paul. I will truly miss you.

“ Paul was a very special cousin. He was just like his dad. He was always fun to team up with and share some laughs and act crazy. We never had a dull moment when Paul was around. So glad I got to see him on his birthday. He will certainly be missed by his cousin, Bobby Fisher.
