“ I remember when Darlene and Robert were dating, I was the one who went on dates with them, of course when we went to Robert's parents, I was always excited, because I would get to see Skeet--most of the time. Kid's stuff, right? well a few years ago when he was driving truck, & was working near Tulsa, sometimes he would call me (I lived in Tulsa) and take me to lunch, usually Red Lobster. We would laugh and remember the "Good Ole Days". Skeet was one of those guys you didn't have to have constant contact with, to still be good friends. I'm gonna miss u my friend.

“ I thought of Skeet as an older brother. He told me things that most people don't know. He also would embarrass me so bad! He treated me as one of the guys and had me laughing everytime I talked to him. I loved him as a brother and friend and will miss him terribly. You are in a better place Skeet.
