“ I'm one of those many friends that will miss you, Dodo. You were a crazy old bird 🐦 but you lived life to the fullest. You loved your dogs and your Jesus, and they loved you too. Even after we parted ways in life, you would holler every now and then just to check in on me. You'd tell me how proud you were of me and how beautiful my daughters are. I will remember your kindness— letting me sit on your couch and pour out all of my stresses back in the days when I felt I had no one to talk to. You'll be missed. I hope the afterlife is all that you had hoped it would be. 🕊
