“ *My fondest memories of Miss Peggy:  
She always made me laugh  
Even today when I watched the video of her humming in her kitchen  
with her grandson tickled my soul.  
When I visited her in Kinta she made the best homemade drop  
biscuits.  
She was braver than most.  
Most of all I just loved her & all her daughters especially Kelly Jean.  
The comfort & the genuine love will be with me a lifetime. From  
being a young girl till now I only have the feeling of splendor when I  
think of this beautiful lady. Words alone could never express how I  
really feel. I'm not physically in attendance at her service. I am  
100% there spiritually. My  aches for her special family.*

“ I actually do not know where to begin..This lady was known to me as "Momma Peg"..she was by far one of my favorite cousins, but more like my second Momma. She could make you laugh, even when you did not want to...but now she is walking them streets of gold with her beloved husband Fred and my Momma..my heart aches for the girls, Kelly, Kim, Cindy, Bridgett and Heidi...but when you feel the warm sun, or the wind blow softly, even a calm of a storm, that is your Momma...the wonderful memories you all have of her..love and hugs to all...

“ *What a beautiful spirit Peggy had. I can't think of a time that when I was in the company of her she didn't make you smile. She raised a sweet and loving family. I will definitely cherish those times and hold tight to the place in my heart I carry her. God take this family in your arms and comfort their broken hearts. To be absent from body is to be present with the Lord. My heart felt condolences to this family. Love always- Marla Shaffer*

*My friend Ms Peggy was the absolute best, She always took time for me and did I ever bend her ear 😊 We shared alot of laughs and a few tears. My favorite was when we went fishing and the pole never got in the water because we were so busy talking and laughing. Thanks for sharing this beautiful sweet lady with me. ❤️ to her family*
