“ One night close to Christmas Ray took Kim and me to see Christmas lights in his small truck. We had trouble finding where we were going, so Kim and I tried to help, which is really no help, I think we just confused him. So we kind of run a red light. All I did was put my hands over my eyes. Don't think Ray was too happy with us but afterwards we all laughed about it. The rest of the night was a blast.
