“ So many memories that I don't know where to start. We had so much fun at schools. You scared and elderly gentleman and both of us at the same time..then we laughed so much about after that..love you Becky and am thankful you are with your family that were there to meet you.

“ I will always remember Thanksgiving dinner at Leonard & Ercell's and how my Cousins Rodney, Becky, Chuck and I had to sit at the “kids table” into early adulthood. Rodney got to graduate to the “grownups” table only after getting married and having his first child 🧐. Love you all. Your cousin Valerie

“ *Becky and i were sister in laws , she and i and our children, Jerry Lynn ,Justin ,Angie and Pat and Daddy Ron and Gail had so much fun at the lake camping and swimming . One time in particular Sister Lynn and family were along . We were all on the beach ,little boys Justin and Scott went up for a drink . Camper within viewing distance. Any way they found the gaffle hook . Those little cuties shredded the popup camper . Very laughable after the fact. We all have so many great memories, we were always laughing about something. We did out vegetable canning together, we got alot of our vegetables from Mr Basden , that was Beckys other sister in laws Daddy .*

“ *A treasured friend and beautiful lady inside and out. She was always there to listen when I needed her. Truly a woman of God strong and kind. I know our family will miss her smiling face at Sunday service and every day dearly.*
