

Rebecca Lynn Ross Hendrix

July 27, 1984 - September 11, 2023

Rebecca Lynn Ross Hendrix was born on July 27, 1984 in Poteau, Oklahoma to DeAnna Jordan and Garry Ross. She passed away on September 11, 2023 at her home on Beaver Mountain. Rebecca graduated from Keota Schools in 2002. Her life was a life devoted to service. She so wanted to be in the military, but her hip just wouldn't allow it. As soon as she turned 18 she worked dispatch for the LeFlore County Sheriff's Office and the City of Sallisaw before working as a contractor for the Department of Defense. She was in Qatar at Camp As Sayalya and then Baghdad at Camp Victory. She came home and went to work at Muskogee High School as a School Resource Officer. She then went back to LeFlore County as a Sheriff's Deputy. She went to Puerto Rico and helped with hurricane Maria clean up. Then she came home and worked for Muskogee County and Wagoner County Sheriff's Departments before returning overseas this time to Afghanistan. She came back home and worked as an officer for Porum and Quinton and was teaching Cleet classes. In between all that, when possible, she worked security for Rocklahoma. She loved the water, whether it was being on the lake in a boat or jet ski or walking along the shore. It was calming and soothing to her. “ Rebecca,

My friend, my little sister. I remember meeting you in training for a contract in Qatar. I could tell right away that you were someone special. The way you carried yourself, the way you spoke and the way you smiled. I am the type of person that likes to surround myself with good people and you were the definition. The conversations, the sharing of pictures of our kids, the times we hung out at the club or out to eat, you were always there and a pleasure to be around. Training and sharing our knowledge I couldn't have imagined it any better. You were always interested in my stories from when I was in the army and I was always interested in your stories as a police officer. You became my family and I loved you as such. I wouldn't trade a single memory with you for anything in the world. You were always there when I needed you and you knew I was there when you needed me. We leaned on each other a lot as family should. I only regret I wasn't able to come see you in your final days. You once showed up to my place in Qatar with a bottle of liquor when a member of my family had passed and you stayed and talked while we shared that bottle. Tonight I have a bottle for you and I will drink my half and yours I will give to the earth. I will cherish the memories we share forever. Love you little sis, Till Valhalla.

“ Rest easy Becca. You will be greatly missed sweetie! You fought a long hard battle, but now you get to enjoy your reward. Although our hearts are broken, I look forward to the day we meet again. My thoughts and prayers go out to your family and friends during this very heart breaking time and in the day to come. I love you Becca! ❤️❤️❤️
