“ Papa always had a smile. When we got to his house he would call us over on his lap and say "who do you love more than anyone in the world?" If your response was not "Papa" he would tickle you and ask again. As a young girl I would stay a week each summer at Granny & Papa's. I watched him set a great example of what a Christian walk should be, spending daily time with God, Praying, Fasting, Praising... he was truly filled and overflowing with the Holy Ghost. I tell you, there are no perfect people on this earth but his kids and grand kids sure thought he was close. The world has lost a bright light and all we can do is try to continue his legacy and work to lead the lost to a risen Savior. I know he will meet me at the gates of Heaven with a big hug and a smile and a "sis, how have you been?!"

Until we meet again Papa.

“ I will always remember you & Sis Y. Womack & Sis Pat, too, will remember the singing & music. Loved your preaching also. But you had another side of you that I will remember. too. You liked joking around & laughing & making people laugh with you. You brought sunshine into any room you walked into.
To the family & friends, I am so sorry, I know it hurts. God Be with you all. May God give you Peace & comfort thru this trying time.

“ Stan the Man, became my Bud, many years ago, went thru Hard Times and Good Times on the Evangelistic Field. We saw many Miracles traveling as The Brady Family Gospel Singers. When we all retired from traveling He and Yvonne pastored a church in Quinton, Ok, until God said "Move". The only "Major problem we had with him was: He only knew 3 speeds on his guitar: Fast, Faster, and Run off and leave other Musicians and Singers. It took me a while to learn Stan and I loved him as "My Bud."
He is sorely missed! Pat Davis

“ Stanley was a school classmate beginning with elementary school. He was a blessing to be around with his pleasant demeanor. He was a hard worker and a true friend. We need more like him in our country today. His favorite saying, "God is good," is now part of my fond memories of Stanley. I look forward to seeing Stanley again on the other side.
