“ As was stated in his obituary Robert loved to buy, sell and trade. Every time we would meet the first words out of his mouth were “you got any thing to trade ?” I went to his house a couple months ago and he tried to sell me a pickup, motor cycle and a four wheeler. When I told him I didn’t need to buy anything he tried to give me an old four wheeler he had. Robert was sure a character. He will be missed.
