“ *I met Ruby when she come to help do a Revival, with Bro. Tim Dodson. It didn't take long for a friendship to rise between us. She joined the Heart of Truth Ministries, and was licensed and Ordained. I was honored to have her join the Ministry, and we had planned on doing some great things together.*

I loved Ruby, and I enjoyed her playing the piano, and singing, and listening to her preach.

I will miss her terribly, but, I will meet her again on the other side of Glory,

I know she is dancing, and praising the Lord with all her might
