“ Ruby was a caring, selfless and AMAZING woman. She was a wonderful mother to her her children, grandchildren and great grandchildren. She was the grandmother to my 4 children and was my mother-in-law for many years. She always made me feel loved and I was always welcome in her home. Looking back, she taught me so many things, I hadn't realized. She taught me many things about life, raising my children and about God. She was always a firm believer in her religion and I remember going to so many Revivals with her, I had never been to one before those days. I am so thankful for her helping to instill those experiences in my life and for God allowing her to have been in my life for all the time she was and for all of the things that she did for me and my family, I will always be thankful. I will always love her and miss her. I'm just sorry that I didn't get to see her and tell her more. She was HONESTLY a very good hearted, lovable and special person with a positive affect on my life (as well as so many people's), more than I'd ever imagined before. I pray that God gives her family peace in their hearts and help them through this time, that He wraps His arms around each and every one of them and let's them all know that she is with Him and has been made whole! In Jesus' name I pray this prayer. Amen!
