“ I'll never forget the first time my Pepa took me and Brit fishing. I had just gotten done with a basketball game and we drove up to Oklahoma for the day. I was so eager to catch a fish that I would fling my line back as hard as possible only to either catch my basketball jersey or Pepa's shirt every time! I remember Pepa just laughing and laughing! And long an behold after a bit of patience and a lot of catching my jersey later... I caught my first fish! I am so glad that my Pepa is finally getting back to fishing now and is doing it in the beautiful rivers of Heaven! ❤️
