“ I am so sorry to hear about Sharon passing; it's too soon for her to leave this world. I have many fond memories of Sharon when we were growing up. She was the one who taught me how to hotwire a truck! She was so sweet, kind and a lot of fun. Prayers for her family and friends.

“ Sorry to hear about Sharon she was my running friend in school loved her so much.
She will be missed. I remember I would spend the nights on Saturday night to go to church on Sunday with her and that evening after church we just hang up together.

“ I'm so sorry for your loss, may God comfort you.
We used to be the very best of friends when she was expecting her son and we both worked at Walmart.
My husband and I moved to Texas and we lost touch with each other, we had lots of laughs together plus my daughter Jill and her daughter were friends.
I was so shocked to see this, she was always a good person.
May God comfort all of her family and give you strength.
