“ Such a lovely lady. Always so sweet to all of us teenagers invading her home all the time back in the day. I'll always remember feeling welcomed. I will forever be thankful for Sue giving me such a precious friend in Rhonda. I know she is so very very proud of her beautiful daughters. Love and blessings.

“ I was never lucky enough to meet Aunt Sue but we got to talk a few times on the phone. I am sad that she leaves behind a husband and daughters and grandchildren that will miss her terribly, but I am so happy to know that she is no longer suffering. I wish we were able to be there on Saturday. We will be thinking about her and celebrating her life here in California. <3
