“ This makes me so sad! I loved Sue and I believe she loves me!! We had many, many adventures, both good and bad, at the Stigler News-Sentinel. We watched Saylor and Lane grow up. I continued to see Sur at sporting events. She was so proud of her grandchildren! My deepest sympathies to the family. I know she leaves a great hole in your hearts.

“ Aunt Sue was one of the BEST people I ever knew. The many trips she made down here to Texas to see us. One time it was Thanksgiving and she came over and helped me decorate my entire house for Christmas. One time when Daddy came home from the Gulf War, we made stir fry and went shopping. One summer we swam in my pool and had conversations about the whole family. When I was younger, we were visiting and I rode in the truck with her and Uncle David between them. We stopped at Long John Silver's. When Dad retired from the army, Aunt Sue met my old boyfriend who was visiting from Fort Polk and told me that she thought he wanted to be my new boyfriend. Lol. There are so many more memories. Easters and Thanksgivings mostly when I was younger. We may not have been around a lot due to living in different countries and states, but we were only a phone call away. My plan was to come visit soon but so many obstacles kept preventing that. Can't wait to see you again soon to have another hug from you. I love you, Aunt Sue! 💔❤️

Played Bunko with Sue for many years. She was a gentle spirit so loving with many stories about her Grandchildren. She always had a warm smile ready when I went into the newspaper office. Yes Ms Sue will be missed by many..
