“ I met Tammy back in the 90’s when her husband worked in Sapulpa with Joe Bryce. We were friends and I loved her devotion to her baby boy.... he loved big trucks calling them “boom Booms” and I often got the pleasure of helping her enjoy a date night by babysitting. She loved life but most of all she loved her family. Her smile was contagious and her love was true. I offer my sincere condolences to her family at this time. Respectfully-Jules
