“ *My friend and coworker took me fishing, spent a day of carpentry helping me build a play set for my toddler daughter, and always had a smile and a good word as we handed off airshifts everyday at K95FM. And he honored me years later to do radio again, remotely, via Audience Bakery. It has been a privilege my friend. Until we meet again.*

“ *I graduated with Timmy and Tony. Timmy as well as his brother were very nice guys. Always polite and good students. I'm so sorry and send prayers to his family.*

I'm so grateful for the 30 years I got to have you in my life. Say "HELLO" to everyone up there for us. Love ya Bro - Kristi*

“ A fabulous friend and phenomenal talent on K95FM. I had the pleasure of working with Tim there for a number of years. We first met at the Miss Pryor Pageant over 30 years ago--we were both judges. As we chatted and watched some March Madness during the lull times [and already knowing how great he was on the air] it became evident to me that he would be terrific member of the K95FM family. Upbeat, positive, fun personality. Happily he was able to join us not long afterwards and was universally loved and respected in our building.

“ Tim was like a kindred spirit to me for many years. I think we first met in 1991. We watched many football, hockey, basketball and baseball games together. We attended dozens of concerts together. We spent an uncountable number of hours talking and listening to music. Throw in a road trip to Talladega for NASCAR and a road trip to the Grand Canyon to sit and drink a beer and one to New Orleans for no reason. Tim was the younger brother I never had. I'll miss you, buddy. Rest in peace my friend.

To many stories to tell and the crazier they sounded the more apt they were true. A laid back easy going guy that could adapt to any situation. He was a fantasy football champion of the Cowboy League in 2023, Love him and will miss him greatly. Gerald Cleveland
