“ I loved this Ms.Lou a lot.Her Grand son Austin is one of my dearest friends. She always welcomed me into her home. She was a kind woman and a heck of a cook. I will miss her dearly. Love Wesley

“ My heartbreaks for her family. She was one tough cookie and she was a straight shooter and told it how it was. If you knew her then you loved her. Her home was always open and there was always enough food to fix another plate. She was like a mom to me especially after my mom passed away. I will always have great memories of her. She made the best no bake cookies! She even mailed some to me in IL after they moved back to OK. I know she is in Heaven with Gary looking down on everyone. Blessed beyond measure to have been loved by her. Love you all, Becki
