“ Since I live away, I am just learning the terrible loss of such a kind hearted lady. Virginia was truly a loving individual and such an influence on many who knew her. She will be terribly missed. My thoughts and prayers are with Joe, Judy and the rest of her large family and host of friends. Ronn Doby

“ Virginia and my mother(Okley Carter) were best friends beginning in the 1930's until Mom's passing in 2007. Mom always cherished their friendship and the good times they had together. The Ogles welcomed Mom into their home as both she and Virginia worked at the grocery store when they were young girls. Most will remember them sitting side by side in church service for many many years. Virginia will certainly be missed by all of us who grew up in and around Kinta.
