“ *My name is Jenny Sullivan, I cleaned Wanda's and Tommy's house for them. Anyways when I started I really didn't know much about her. Once I found out that she was a Bush she asked me if I knew a bunch of people and a bunch of her family which I do. From the first day she went through all of her pictures with me letting me know each one of them and telling me what and how much her family meant to her and how proud she was of them. Everytime I would go to her house we always made conversation no matter what it was. I am Thankful and Blessed to have known Wanda, she will be missed so much. Prayers for Tommy and the rest of the family. May God give each of you peace and strength.*

*With Love, Jenny Sullivan*
