“ Wendell you are a GREAT man. I had my first job working for Wendell at the Superette. I was his stocker and car wash cleaner. I loved being in that store and ALWAYS admired and looked up to Wendell wanting to be like him one day. He cared for me and treated me with respect even when I did stupid things. That custom van he owned I loved driving him around in it. The of course cleaning it and getting it ready for his nights out. He will truly be missed and remembered as one of my ONLY true friends as a kid in Keota. Go rest high my friend. Heaven is now a better place with you as an Angel.
