“ *Wil was the quintessential Soldier and friend. He was a natural leader: Smart, tough, accountable. A bad ass, but more often than not, he'd overwhelm you with genuine compassion and character. It was my honor to serve with him in the Army, and I was truly blessed to have him as a squad leader. He was the leader I strived to be. Rest in peace brother. - LT*

You left us too soon. I will always remember that smile and your positive attitude that was so infectious. Hold a spot for me at The Green and we will celebrate with a toast to a life well lived. Until we meet again. Always in our hearts.
